Driven by a passion for law and technology, I am a dedicated student with a proven record of facilitating workshops, providing legal advice, and excelling in diverse work environments. I am currently undertaking an MSc in Computer Science to further my practical knowledge of the topic and offer a unique blend of legal insight and technological acumen. I am enthusiastic about contributing my skills and experiences to new opportunities where I can continue to grow, innovate, and make a meaningful impact.

Education

Legal Experience

Adviser | *London South Bank University Legal Advice Clinic* September 2021 – December 2021

Overview:

- Interviewed and took instructions from clients dropping in for Social Welfare Law advice;
- Researched relevant law and delivered the advice;
- Signposted and referred clients as appropriate;
- Accurately documented and stored the advice given to clients.

First Year Skills Development Initiative participant | *Macfarlanes LLP* August 2021

Overview:

- Participated in one week work experience at a City law firm directly aimed at the best performing students at the University;
- Completed tasks from M&A practice area that included legal research, proofreading, review of disclosure letters, and drafting amendments to a company's articles to allow new class of shares;
- Collaborated within a team of four to deliver a pitch presentation for a fictitious client regarding acquisition of a high street retailer;
- Participated in a mock negotiation session.

Other Experience

Workshop Facilitator | *Rethink Mental Illness*

December 2021 – September 2022

Key responsibilities:

- Co-produced a series of mental health- focussed workshops;
- Delivered online and in-person sessions;
- Assessed the needs of students at the university to tailor the content of workshops.

Volunteering

Opportunity Secretary | *London South Bank University Law Society*

June 2021 – June 2022

Key responsibilities:

- Working closely within the team of three to find speakers from the legal industry;
- Maintaining a good name of the society in organising and promoting events;
- Drafting emails and activity forms to aid prompt communication between members of the committee.

Volunteer | *AISEC Poland*

October 2019 – January 2020

Overview:

- Conducted interviews and recruited people from around the world for voluntary projects;
- Filed documents such as Invitation Letters to Embassies, Excel Sheets, and volunteers' profiles;
- Maintained contact with partners to the project;
- Organised accommodation for volunteers by advertising on different social media groups.

Projects

'NFTAID'

September 2022 – January 2023

Project was a part of the Law and Technology module (78%)

- In the span of eight weeks, my team and I designed and developed an upgraded version of a non-fungible tokens (NFTs) marketplace, where at least 20% of every transaction was to be donated to a charitable cause.
- Project management technologies used: JIRA | Confluence

'VOLONTVARIOUS'

September 2017 – May 2018

Created and managed an Olympiad project with an aim to encourage young people to take part in voluntary activities

Overview:

- Contacted and formed partnerships with institutions interested in volunteers;
- Conducted workshops on the benefits of volunteering in secondary schools;
- Received "Project Management Fundamentals" and "Project Management Principles" certificates;
- The project was awarded finalist and received a Bronze Wolf Award in the national contest "Zwolnieni z Teorii".
